#### About the Virtual Meeting

Join VDOT representatives to get the latest updates and information related to Virginia's 495 Express Lanes Northern Extension (495 NEXT) project. The 495 NEXT project is advancing to the design and construction phase, following more than three years of environmental study and traffic analysis, and the receipt of a "Finding of No Significant Impact," from the Federal Highway Administration (FHWA) and National Park Service on its environmental assessment, and an approval from FHWA on its interchange justification report.

Also, learn about the Maryland Department of Transportation State Highway Administration's (MDOT SHA) New American Legion Bridge I-270 to I-70 Traffic Relief Plan. MDOT SHA representatives will provide information on proposed project improvements in Virginia near the George Washington Memorial Parkway and across the American Legion Bridge into Maryland. Learn more about the project, environmental review status, and process moving forward. Project information can also be found at [495-270-p3.com](https://495-270-p3.com).

Plan to join this virtual public information meeting, and hear about ongoing collaboration and coordination between Virginia and Maryland project teams to improve travel, and bring relief and multimodal solutions to I-495 and the Capital Beltway area. Information about transit plans and commitments will also be provided.

Get details on how to access the virtual meeting by visiting the project website ([495northernextension.org](https://495northernextension.org)) or calling 703-691-6715.
